Yorktown Swim Club

Fee Explanation

Coaching Fees: These fees are necessary in order to cover the wages, taxes, insurance and other operating expenses associated with providing the benefits of a competitive swimming program. These fees are based on your swimmer's team assignment at the beginning of each swim season. The assignment of your swimmer to a particular team is determined by the coaching staff and, ultimately, by the Head Coach. The Coaches will be reviewing your swimmer's progression and will, as they determine, assign your swimmer to the appropriate team level. If the coaches decide to change your swimmer's team level during a season, there will be no adjustment to the coaching fees from those assessed at the beginning of the season, neither as an increase or decrease to those fees.

Coaching Fee Payment Options: There are two options for paying the coaching fees.

The first option is to pay the entire season's coaching fees at the time of registration.

The second option is to pay, either, three (3) monthly installments for the summer season (or) six (6) monthly installments for the Fall/Winter season. The summer season installments will be billed on May 1, June 1 and July 1 and the Fall/Winter season installments will be billed on September 1, October 1, November 1, December 1, January 1 and February 1. Each installment must be paid by the end of each month billed with the exception of the first month's installment, which is due at registration. **Upon registration, you are committing to pay the fees for a full season. All monthly installment are to be paid for the entire season, regardless of your swimmer's participation. Please, you and your swimmer should commit accordingly.**

USA Swimming Registration Fee: Yorktown Swim Club is a member of USA Swimming and as such; all training and/or competing athletes must register with USA Swimming. Usually, at the registration of each Fall/Winter season the swimmers will register and pay USA Swimming for an Annual membership that is valid until the end of the next full calendar year. The Annual membership allows the swimmer to compete in any USA sanctioned meet provided the swimmer has met the entry qualifications for the meet. Or, as an option, the swimmer may register as a Seasonal member but, as such, they must compete below the Zone, Sectional and National levels during that season.

Other Fees/Charges: There may be other fees and charges which are incurred throughout a swim season. These could include meet entry fees, training trip fees, caps, goggles, swim suits, shirts, etc. These fees will be added to each month's statement and will be due by that statement's due date.

Late Payment Penalty: For each swimmer, any and all fees which are past due will be assessed a per month \$25 fee, unless prior arrangements have been made with the Treasurer. Timely payment of your account is necessary in order to ensure the longevity of the swim program. Also, club business is conducted by VOLUNTEERS (Not Compensated) who would appreciate not being burdened with collection activities. Please pay timely or please contact the Treasurer for arrangements.

Account Statements: Monthly statements will be emailed, placed in your family folder at the pool or mailed to the address of your choice, in that order of preference. Emailing your statement is the easiest and most preferred method of delivering your statement; please provide a valid email address for this purpose...the volunteer Treasurer will appreciate it. If you have not received your statement by the 5th of each month, please notify the Treasurer.

Yorktown Swim Club welcomes you and your swimmer(s)!
